HUD Meeting:

On 4/16/15, OSC Moore attended a Texas Organizing Project (TOP) meeting with members of and U.S. Housing and Urban Development, Congresswoman Shelia Jackson Lee, Local Leaders, and the Public. OSC Moore attended the meeting at the request of (b) (6) (resident near CES and TOP Member). The meeting was not directly related to CES but more associated with low income housing within the City of Houston and associated environmental and infrastructure issues within the lower income neighborhoods within the City. OSC Moore was introduced to Congresswoman Lee and she indicated that she was trying to help with funding issues to address the site.
